

VEHICLE COUNTER-AMBUSH TACTICS 2

Description: VCAT 2 is a continuation of VCAT I where students will learn to use a carbine to counter “far ambushes” (distances over 25 meters). The class will cover the following topics:

- Strategies to overcome far ambushes
- Live-fire shooting while seated in the vehicle - solo and pairs
- Deploying a carbine from the vehicle
- Engaging targets using conventional and unconventional shooting positions • Use of “Fire-and-Maneuver” to conduct a counter-assault

Instructor: Dan Butler is the owner of Paladin Tactical US, LLC. He has provided instruction in firearms and tactics to local and federal law enforcement officers over the last 20 years. An additional instructor will assist with the course.

Required Equipment:

Carbine with 3+ magazines and 400 rounds of ammunition

Dates/Locations: See www.paladin-tactical-us.com for up-to-date class dates and locations. Register on the website to hold your spot.
